

## **SAN JUAN VINEYARDS – MONA VINO**

### **. . . a red table wine**

**In May, 2007, we released a Red Table wine in honor of the popular “Mona” a Dromedary Camel living across the road from San Juan Vineyards.**

**The camel has become quite popular with locals and tourists alike. Many stop by with apples and carrots to feed Mona. She is very friendly, and has a following!**

**So, Mona Vino was born using blended red wine, 2003 vintage. It is 55% Syrah with the remainder split with Merlot and Cabernet.**

**It is presently sold exclusively in our Tasting Room. The Mona is \$12 a Bottle.**

**The Mona art is a watercolor done by Claudia Weybright, a local artist.**
